MYSTERIES!

The Nervous System the Seat of Life and Mind. Recent Wonderful Discoveries.

No mystery has ever been compared with that of human life. It has been the leading subject of professional research and study in all ages. But notwithstanding this fact it is not generally known that the seat of life is located in the upper part of the spinal cord, and so sensitive is this portion of the nervous system that even the prick of a needle will cause instant death.

Recent discoveries have demonstrated that all the organs of the body are under the control of the nerve centers, located in or near the base of the brain, and that when these are deranged the organs which they supply with nerve fluid are also deranged. When it is remembered that a serious injury to the spinal cord will cause paralysis of the body below the injured point, because the nerve force is prevented by the injury from reaching the paralyzed portion, it will be understood how the derangement of the nerve centers will cause the derangement of the various organs which they supply with nerve force.

Two-thirds of chronic diseases are due to the imperfect action of the nerve centers at the base of the brain, not from a derangement primarily originating in the organ itself. The great mistake of physicians in treating these diseases is that they treat the organ rather than the nerve centers which are the cause of the trouble.

Dr. FRANKLIN MILES, the celebrated specialist, has profoundly studied this subject for over 20 years, and has made many important discoveries in connection with it, chief among them being the facts contained in the above statement, and that the ordinary methods of treatment are wrong. All the nervous diseases, such as paralysis, epilepsy, hysteria, neuritis, neuralgia, sciatica, etc., are nervous diseases, no matter how caused. The wonderful success of Dr. Miles' Restorative Nervine is due to the fact that it is based on the foregoing principle. Dr. Miles' Restorative Nervine is sold by all druggists on a positive guarantee, or direct by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid. It contains neither opiates nor dangerous drugs.

THE SILVER PLATFORM.

The silver wing of the Republi- can State Convention unanimously adopted the following platform: The convention endorses and adopts the platform of the Republi- can State Convention, held at Va- city on the 30 of April last, as fol- lows:

Resolved, That we condemn the Republican party of the Eastern states and the administration of President Harrison, insofar as they have failed to accomplish the com- plete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

Resolved, That the restoration of silver to the place it occupied previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and paramount to all other political considerations. The legislation which robbed silver of its money functions and denied to the owner of silver bullion the right to have the same coined into money upon the same terms and conditions which apply to the coinage of gold, reduced the money of ultimate re- demption or payment, about one- half, and enabled the owners of money and obligations payable in money to monopolize the coin of the commercial world.

Resolved, That the people of Nevada are in favor of the coin- age of silver upon the same con- ditions which apply to the coinage of gold, and they are opposed to elevating any person to office who is not known to be unequivocally in favor of opening the Mints of the United States to the free and unlimited coinage of silver.

In view of the unsatisfactory at- titude of President Harrison to the paramount issue of the remonet- ization of silver, this convention will make no nominations for Pres- idential electors and the State Cen- tral Committee to be appointed by this Convention shall have no au- thority to put in nomination elec- tors.

The Convention cordially en- dorses the vigorous efforts of our Senators and Representatives to secure the free and unlimited coinage of silver, and the educational work that they have done in pre- senting the true issue between the money powers and the bondhold- ers and laborers and producers of wealth.

And we favor the continuation of agitation and contention for the free and unlimited coinage of sil- ver at the present ratio of 16 to 1, for their own benefit and for the benefit of the people at large - miners, farmers, laborers and me- chanics.

The citizens of Nevada, repre- sentatives of the various silver leagues, irrespective of past party affiliations, in convention assem- bled, do set forth the following de- claration of principles:

First. We demand the full re- monetization of silver and the free and unlimited coinage thereof, at the present ratio of 16 to 1.

Second. We are radically and unalterably opposed to the Nation- al Republican and Democratic par- ties on the question of the free coinage of silver and we denounce the action of their recent national conventions as inimical to the ma- terial interests of the people of the United States, and especially to those of Nevada and all the other mining states and territories, and we therefore repudiate the nomi- nees of their convention.

Third. We pledge the nominees of this convention for Presidential electors to support no man for President or Vice-President of the United States who is not unequiv- ocaly in favor of free coinage as defined by this convention. We reserve to the silver leagues of Nevada, in Convention assembled, the right of directing said Presi- dential electors for whom to cast their votes, should contingencies require. GEO. S. NIXON, Chairman State Committee of Sil- ver party.
